### ENROLLMENT VERIFICATION NUMBER

The parent or legal guardian must request an Enrollment Verification Number (EVN) for each student from an eligible participating private school their student(s) attends or plans to attend. The school will provide a unique EVN for each student that will be submitted on an individual application. The EVN will be provided via email.

### PERSONAL INFORMATION

Taxpayer(s) and/or parent/legal guardian's information, including name, address, phone number, email, and Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN).

### PARENTAL CONSENT FORM (IF APPLICABLE)

If you are not the student's parent or legal guardian, you will be required to provide a Parental Consent Form. The form is used to obtain verifiable consent from the parent or legal guardian of the eligible student(s) for another taxpayer to participate in the program.

### STUDENT INFORMATION

Student information, including name, date of birth, and Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN).

### FEDERAL ADJUSTED GROSS INCOME
